This distinctive, yet classic Two-Story offers a unique and inviting floor plan. A handy Mudroom is just inside the garage entrance making it an ideal place to drop keys, coats and other necessities as you enter the home. Any chef is sure to love this Kitchen with lots of counter space and an island perfect for entertaining. A small private Alcove is ready for your imagination. The unique staircase not only adds visual interest, but is also practical for family traffic. Warmth and charm are continued into the second floor with an elegant Master Suite. It also features an additional 3 bedrooms all with walk-in closets and two extra baths – one a Jack-n-Jill.
